Thank You Community Bank!

Community Bank will once again offer the Matching Funds Campaign for Habitat for Humanity of Hood County. We are so blessed to be in partnership with Community Bank and greatly appreciate their willingness to offer the matching funds for building simple decent homes in Hood County. Community Bank has partnered with us since 1996, the first year of Habitat for Humanity in Hood County. They assist us in many different ways as well. They service the mortgages and appraise the property at no cost to Habitat. They sponsor a home once a year and even bring out volunteer staff to help with the construction. They are totally invested in this ministry by helping families in our community! We appreciate all that they do for us and hope that you will help us out by contributing to the match this year. Habitat is now

building 5 homes a year with volunteer labor. We are an all volunteer affiliate, so all of your donation goes to building homes. We have home #58 and 59 under construction right now. What an amazing accomplishment for our community! Your donations have provided homes for 59 families! We are grateful to each of you and to Community Bank for making this ministry and matching funds campaign possible. Please drop your donation by any of the bank's three locations, or mail it to Habitat at P.O. Box 1866, Granbury, TX 76048. Please don't miss this opportunity to make the most of your contribution to Habitat and help more families realize their dream of homeownership.

Stonewater Church of Granbury joins list of Covenant Churches

Habitat for Humanity of Hood County is pleased to announce that Stonewater Church has agreed to become a Covenant Church with our affiliate. A Covenant Church supports Habitat's efforts by: Praying for the ministry of Habitat for Humanity, spreading the word about Habitat for Humanity's ministry throughout their congregation, providing financial support for Habitat for Humanity, and

whenever possible encouraging their members to be actively involved on the worksite, committees, and on the Board of Directors.

Stonewater Church joins our list of twelve Covenant Churches associated with our affiliate: Acton Baptist, Acton Methodist, Emmanuel Lutheran, First Baptist of Granbury, First Christian of Granbury, First Presbyterian, First United Methodist of Granbury, Good Shepherd Episcopal, Granbury Church of Christ, Lakeside Baptist and St. Francis Cabrini.

Habitat for Humanity Participates in Operation School Supplies

*On August 12, 2011 Granbury ISD held its annual **Operation School Supplies** where school supplies were distributed to approximately 2000 needy Hood County children from Pre K through 12th grade.*

*The goal of **Operation School Supplies** is to provide school supplies to identified underprivileged children of Hood County. The vision of **Operation School Supplies** is that: every child will arrive on the first day of school with his/her*

backpack full of school supplies....ready to learn and ready to succeed.

*As part of **Operation School Supplies** a resource fair is also provided. The resource fair is made up of charitable organizations located in Hood County that may be able to assist needy families. Habitat of Humanity of Hood County participated in the resource fair by manning an information booth for families interested in the Habitat process. Volunteers for the booth were Norm Snyder, Kathy Gwinn, Elsie Miller, Carol McKernan, Carol Lestarge, Andrea Bauer, Maggie Tummillo and Nita Mitchell.*

Habitat's 55th House
Dedicated March 26, 2011
 Home of Jesús (Chuy) Mojica Family

The allure of a sparkling but windy day brought the crowds out to enjoy the dedication of the Mojica's house at 3714 Sundown Trail. Not wanting to miss a word, folks crowded around the front door of the house where the ceremonies started with a "Welcome" from HFH President John Quilty, followed by the Opening Prayer given by Eric and Belia Garcia of StoneWater Church.

Carol Davidson, Exec. Director HFH, Steve Davidson and Ron Barrett gave thanks to the Board Members, Habitat Families, Business Donors, Volunteers and others that supported the entire "build". Special thanks for a successful and fruitful Matching Funds Campaign by Community Bank, represented by Carey Gentry,

Board Member and Market President of Community Bank who then presented the keys to the family. Brian Donnachie and Walt Pluznick, Family Advocates, presented the Mojicas with a Bible.

Other Special Presentations:

Acton UM Women - Mary-Martha Circle was represented by Nancy Seilheimer
 Loaves & Fishes - Lakeside Baptist Church
 Petals and Pals Garden Club - Alice White
 Master Gardeners - Beta Balasaygun
 Granbury Quilting Guild - Lou Bates
 Rancho Brazos Community Center - Jimmie Stanton

And last but not least, John Meche of the Green Team Volunteers presented the specially hand-crafted blocks of wood by Paul Beckman, Howard Hayre and Wayne Hagood to the family.

With obvious pleasure and emotion, and amid all the excitement, the Mojicas could hardly utter their thanks to all.

Don Loomis, Volunteer, read Jeremiah 29:11, the blessing was given by Eric Garcia and Belia Garcia followed with the closing prayer.

In conclusion, the neighbors gathered to feed the guests a delicious lunch.

Praise and glory to the Lord for another Habitat home made by loving hands for a happy family.

HAPPY BIRTHDAY, JACKIE

Jackie Heid celebrated her birthday in a novel way this year—on July 23, she requested dona-

tions to HFH of Hood County, instead of gifts! Her innovative idea generated about \$1,800 in contributions, and more is expected, as some of the donations were matched by employers of the donors. Thank you, Jackie!

Donating Construction Materials

Do you or does your company have gently used building materials or overstocked, outdated, returned, and discounted housing merchandise that you want to donate? In some cases our Habitat affiliate in Hood County can use these items, but most of the time we find a way to politely say "Thank you, but we can't use these items."

*However . . . the **Habitat ReStore** located in Cleburne and Fort Worth will accept these items. The **Habitat ReStore** resale outlets sell reusable and surplus building materials to the public and focus on home improvement goods like building materials, appliances, home accessories, and furniture. This donated merchandise is sold at discounted prices to the general public. These ReStores also stock various hardware, plumbing, and electrical supplies at a fraction of retail prices.*

Habitat ReStore Donations . . .

Provide cash flow to help build more houses.

Divert valuable used goods from unnecessarily being thrown away.

Provide all income levels with a low cost home-improvement shopping alternative.

Provide for tax write offs!

*In 2010, the three **Habitat ReStore** locations in Cleburne and Fort Worth combined sold over 3 million pounds of materials. Much of this material would have otherwise gone to the landfill.*

In-Kind Donors – A BIG Thank you!!

We gratefully recognize the following companies, individuals, and families for their generous donation of services, supplies, and tools to Habitat for Humanity of Hood County during 2011. With in-kind donations such as these it allows our Habitat affiliate to keep its administrative and construction costs lower to make the homes more affordable for purchase.

One Way Habitat Gets the Word Out

These photos show just a few of our dedicated volunteers who are ready to distribute information about applying for a Habitat Home. This particular day was in front of our local Wal-Mart store, April 3, 2011. This is just one of the methods our creative volunteers employ to try

to make potential applicants aware of Habitat opportunities. The brochure includes selection criteria, dates when applications are accepted, and an extensive list of documents to have in hand on application day. Thank you ladies and gentlemen!

Habitat's 56th House Dedicated April 30, 2011

Home of Christy Green, Brandon & Dillon

The thrill and anticipation of a new home is familiar to all of us. And so, despite the hot and humid day, a good number of folks turned out for the dedication of Christy Green and her sons' home to share in the celebration.

Ronald Barrett, our Master of Ceremonies, Board Member and Crew Chief, welcomed the crowd and opened the ceremonies. He described the work that Habitat does, thanking all Board Members, other Habitat Families and all who have supported our work.

Pastor Larry Dickson of Faith Assembly of God gave the opening prayer followed by Steve

Davidson of Habitat's Construction Committee giving recognition to all the businesses who make our work possible. Phyllis Anderson, a volunteer, lauded the many other volunteers who give so much of their time on Wednesdays and Saturdays and all those who toil "behind the scenes".

Alan Sloan, also a Board Member and Crew Chief, presented the family with the keys to the home while Florence Franks, Family Advocate, presented them with a Bible.

Acton United Methodist Women's Mary-Martha Circle, Boys and Girls Club, Granbury Quilting Guild's Lou Bates, Lakeside Baptist Church's Loaves and Fishes, Petals and Pals Garden Club's Alice White, Master Gardeners' Beta Balasaygun and Jimmie Stanton of our Rancho Brazos Community Center all made presentations.

As the crowd gathered around the family, one could tell from the family's demeanor how momentous the day was for them. In her closing comments, Christy gave her thanks to all. Then Pastor Dickson proceeded to read scripture and recite his dedication and blessing for the house, now the home of Christy and sons.

New Families Graduate from Financial Peace University

Congratulations to our newest graduates. On October 22, these families completed the required 13 classes of Financial Peace University and received the background necessary to make responsible financial decisions as they take on the blessing of a new home.

They celebrated with refreshments including a cake topped with a chopped up credit card! We are proud of you all!

Graduates are Alvaro and Iris (with Aylin), Rosa, Alphonse, Alicia, Briana, and Natalie and Anthony.

It takes many volunteers for a Habitat house to become a reality. Each group has a specific job to do: acquire the land, select the family, mentor the family, & hammer the nails. Another group, "The Carpenters Club" do their part by contributing \$100 each time a Habitat house is started in Hood County. We may not see them at the construction site, but we know they are there. Habitat's 57th House Dedicated May 28, 2011

Home of Amanda McNeese, Hayden and Logan

The dedication of Amanda McNeese's house was held indoors due to an extremely hot and humid "spring" day. As volunteers and friends of the family crowded into the house, John Quilty, President of HFH of Hood County welcomed the guests. His happy words elicited laughter and applause.

Misty Carter and Amber Barks of the Children's Ministry at StoneWater Church gave the opening prayer. Touching words were expressed for their friend, Amanda and sons, Hayden and Logan.

Carol Davidson explained the mission of HFH and gave thanks to all board members and volunteers, Habitat families and others. This was followed by Steve Davidson, Construction Comm. Chair who recognized and thanked the many business donors while Larry Sadlowski, also a Board Member, gave particular acknowledgement to the many faithful volunteers for their tremendous contribution to HFH.

Family Advocates, Rob Kilmer presented the family keys to the house and Cindy Rogers presented Amanda a bible.

Special presentations of house-warming gifts followed: Acton UM Women, Mary-Martha Circle, Granbury Quilting Guild represented by Lou Bates; Lakeside Baptist Church's Loaves and Fishes; Petals and Pals Garden Club represented by Alice White. Jimmie Stanton, representing the Rancho Brazos Community Center gave her presentation.

In the "Special Gifts" category were the hand-crafted blocks by Paul Beckman, Site Selection Chairman, Howard Hayre and Wayne Hagood, long-time and faithful volunteers.

Once Amanda caught her breath, she gave her thanks (amid tears) to all who made her day possible. Finally, Scripture was read by Karen Mercurio. To quote part of the scripture: "I am amply supplied, now that I have received the gifts you sent. And my God will meet all my needs according to the riches of His glory in Jesus Christ." Thus ended the beautiful fellowship of the day.

Two Red Oaks Donated

Habitat for Humanity houses are simple and efficient. Minimal landscaping is provided: a backyard fence, some sod, and some shrubs. The non-profit Cross Timbers Urban Forest Council donated two Shumard Red Oak trees for Amanda's front yard.

This is the first time that trees have been donated for a Habitat home in Hood County. The local organization, the volunteers, and the Habitat community are grateful.

To become a Habitat Partner (homeowner), Amanda had to contribute 300 hours of "sweat equity", a down payment, and qualify for a mortgage from Habitat of Hood County. Amanda's sweat equity was fulfilled by building Habitat houses and in the process learning the mechanical nuances of her own house. She also successfully completed 26 hours of "Dave Ramsey's Financial Peace University".

MARCO MOJICA GRADUATION

Habitat for Humanity of Hood County has many reasons to be proud of our families and their accomplishments. They work hard and succeed at many things.

One of the most recent examples of Habitat Family success is the graduation of Marco Mojica from Tarleton State University in Stephenville, in May 2011, with a Bachelor of Science degree in Manufacturing Engineering Technology. Marco is the son of proud parents Antonio and Irma Mojica (House #23 in Hood County, and the 50,000th Habitat home in the U.S.). Marco was 15 years old when the family moved into their Habitat home in Rancho Brazos in August 2003. He graduated from Granbury High School then entered Tarleton, working to help pay for his educational expenses.

His hard work was all worthwhile when he and his family celebrated his degree in aeronautical technology. Marco is now working for Weber Aircraft, a company which manufactures airline seats. Marco is pictured above with his sisters Xochitl and Jesica, parents Irma and Antonio, and Jesica's son, Joseph.

Attention Direct Depositors!

Several persons are donating to Habitat regularly by "direct deposit" or electronic funds transfer from their account to ours. We think we know who some of those persons are, and have included their names in the list of contributors. There may be others who are unknown to us.

Privacy rules prevent banks from disclosing names of these depositors to us. When we receive bank statements of our accounts, the statement shows the amount of money deposited by funds transfer, but not the names of the people from whom it came. As a result, those donors do not receive thank you notes or tax statements from us.

If you are one of our donors by funds transfer, please call Carol Davidson at 817-573-8480 or Susan Meche at 817-573-1626, and let us know who you are and the amount. We want to be sure your money is going into a Habitat account.

Please be assured that we appreciate your donations, even if we don't know who you are!
